Individual Coaching for Job and Career

in Wedel, Pinneberg and Elmshorn

as of
08/2021

Restart is an opportunity

Career changes often reveal fresh perspectives and untapped reservoirs.

The entire coaching process seeks a renewed awareness of **strengths, hidden talents and resources**, leading to a clear career orientation.

- **Orientation – Potentials – Resources**

Where do I currently stand? What am I good at?
Where do I want to go from here?

- **Developing new professional perspectives**

A closer look at individual circumstances and hopes – Identifying new opportunities through a shift of perspective – Ideas for Plan B

- **Be a self-assured job-applicant**

Active support in the „job-application jungle“ – Taylor-made and meaningful applicant documents – Best preparation to job interviews

- **Successfully re-inserting into the labour-market**

Long-term and sustainable – a perfect fit

Personalized Coaching

Your exclusive Seydways-Coach is by your side as a **professional sparring** and supporter.

Throughout the process it is possible to adapt content and procedure to your objectives and needs – **flexible** and **personalized**.

We love what we do – you will notice that. Benefit from our expertise and network at our locations in Wedel, Pinneberg and Elmshorn.

We look forward to meeting you!

Your contact

Simone Seyd

Job- and Career Coach
